Seabourn hits a six

SEABOURN Cruise Line has launched a new series of original production shows, elevating its onboard entertainment with 'The Seabourn Six'.

The new shows will perform across the entire fleet, and will be produced exclusively by Belinda King Creative Productions.

Featuring an ensemble of six world-class, multi-talented performers, The Seabourn Six will guide guests through immersive musical journeys, from cinematic storytelling and urban soundscapes to rock anthems and nature-inspired compositions.

The lineup includes 'Better Together', a high-energy celebration of iconic rock bands with the unifying power of music to bring people together; and 'Skyline', a vibrant musical journey inspired by the world's most captivating city skylines.

'Earthsong' (pictured) will be another highlight of the lineup

- an immersive performance where visuals, sound, and story bring the beauty of nature and the elements to life; and 'Silverscreen', a cinematic tribute to contemporary musical theatre, featuring hits from acclaimed shows like *Moulin Rouge* and *Dear Evan Hansen*.

"The Seabourn Six heralds a fresh collection of production shows, and guest feedback has been overwhelmingly positive and complimentary about the creativity, production value, and the incredible calibre of talent we feature on Seabourn," Director of Entertainment Enrichment Handre Potgieter said.

"These shows truly offer something for everyone: music that makes you want to move and music that moves you.

"With The Seabourn Six, we are continuing to redefine luxury travel by blending intimacy, artistry, and innovation, and creating unforgettable moments on every voyage." MS

Explora in the middle of the Monaco action

EXPLORA Journeys and Vanity Fair lit up the Monaco Grand Prix over the weekend with an exclusive edition of the Vanity Fair Club aboard *Explora II*.

The evening brought together a distinguished line-up of guests at Port Hercule to celebrate the start of one of the world's most iconic events, for which *Explora II* was trackside (**CW** 16 May).

The event was hosted by *Explora* President Anna Nash and Vanity Fair European Editorial Director Simone Marchetti, with guests including Albert II, Prince of Monaco; Alpine Formula 1 team principal Flavio Briatore; MSC Cruises Executive Chair Pierfrancesco Vago; Renault Chief Executive Officer Luca de Meo; Princess Alexandra of Hanover; and Swiss model Kevin Lutolf.

"We were honoured to host the Vanity Fair Club aboard *Explora II* during one of the world's most

"The evening beautifully reflected the spirit of our brand - where every detail is considered, and each moment becomes a journey of connection, emotion, and lasting memory."

Explora II (pictured) served as an ultra-luxurious sanctuary during race week, with the ship offering guests access to the race, sweeping Riviera views,

TWO young boys have found a message in a bottle from 1959 while walking on a beach.

The handwritten love letter was found by the two boys while hiking along the World War II fortifications near Plaza Stogi beach in Poland.

The faded note was written by a girl identified only as 'Rysia', who addressed the letter to 'Bunny', and spoke of feeling lonely at school in Tarnow, and thinking fondly of her memories of her beau.

"I assure you that I am quiet and modest, I do not make friends with anyone, I simply avoid men," Rysia wrote.

"My dear, I am a terrible egoist, I only write about myself, but I only think about you," she wrote.

The boys who found the bottle said they have been in contact with a museum in Tarnow in the hopes that the letter's author can be found.

MSC revs into top gear

MSC Cruises and Formula 1 have extended their global partnership to the end of the decade (**CW** 22 Mar 2022).

The announcement marks an early renewal of the collaboration, which began three years ago.

The extended agreement will see the continuation of existing rights including title races, trackside branding, and more.

MSC's luxury sister brand Explora Journeys (see **page 2**) will also feature across signage packages at select Grands Prix.

"Over the last three years,

our partnership with Formula 1 has gone from strength to strength," MSC Executive Chair Pierfrancesco Vago said. **MS**

New TasPorts Chair

GREG McCann has been appointed the new Chairman of TasPorts, with three other new board members joining the organisation.

The new Chair, a former chief at NBN Tasmania, will be joined by Evelyn Horton, Wayne Porritt and Zorana Bull on the new-look board.
